Custom Built Aquaria

"Bespoke Aquatic Furniture that's synonymous with style."

At **AquariumGroup**, we appreciate the importance of delivering on time and within budget, making sure that we fully understand the needs of our clients right from the start.

By working closely with Architects, Interior Designers and Builders we can create a unique aquarium from start to finish using only quality materials, to strict specifications. The end result is a quality piece individually designed and installed to the highest standard.

But our services do not stop there. For those who require ongoing maintenance of their aquarium, our comprehensive Platinum package ensures that your feature retains its wow factor month after month.
